

Dear Second Grader,

It is almost time to start a TERRIFIC year of second grade! We are very excited to meet you on the first day of school. In second grade you will learn and experience many new and fun things. We will read new books, write fantastic stories, solve math problems, and work on science experiments throughout the year!

We have been very busy this summer getting our classrooms all ready for your arrival. There is one thing that you will need to do before you come to school. Please bring a picture of your favorite summer memory. As a class, we will create a board filled with photos depicting summer fun. Bring your photo on the first day of school to share with the class.

We hope you are excited about second grade. It is going to be a great year! We are looking forward to seeing you.

Sincerely,  
The Second Grade Teachers
